Subject: Railway Path Quarterly Update - Update!

Hi Everyone,

As promised in the last Quarterly Update, here are the details for the Railway Path Topic Group summer evening event to be held on Thursday 17th June.

It'll be a leisurely bike ride to have a look at progress with recent projects, organised jointly with the South Gloucestershire Council Wildways Project.

There are two start points:

- 1) Start of the Path at St Philips Road in Bristol, leaving at 6pm.
- 2) Staple Hill (Signal Road junction), meeting the Bristol starters at around 6.30pm.

Finish wherever you like.

We'll be riding on to Mangotsfield to see the new cycle link, looking out for the new orchard planting carried out by the Wildways Project en route. We'll stop for refreshments at Mangotsfield Station (fingers crossed for nice weather!) before carrying on as far as Warmley to see the work around the Signal Box.

If there's time on the way back, we'll take a detour up the Yate spur to Pomphrey Hill. As we ride, we'll keep an eye out for wildlife such as birds of prey, and if we're really lucky, see the glow worms glowing at Mangotsfield!

The event is open to all so please circulate this information to anyone who might be interested.

Bring along some food and drink if you want - we'll provide the cake.

Let me know if you need any further information. See you there!

Paula.
