**Subject:** Severn Estuary Forum - Friday 23rd September 2011  
**Attachments:** SEF 2011 Booking Form & Agenda.doc

The 2011 Severn Estuary Forum is fast approaching. With the programme developing well, including the confirmation of Boris Hochfeld, Hamburg Port Authority and Miranda Krestovnikoff, BBC Coast, the event promises to be as interesting and informative as ever.

The 2011 Severn Estuary Forum will be held at Cardiff University on Friday 23rd September. The event will focus on flooding in the Estuary, the energy sector and adaptation to Climate Change with a presentation on the lessons learnt from the INTERREG IVB IMCORE project. There will also be an opportunity to learn from our European INTEREGG IVC DeltaNet partners with specific focus on the Ports sector. A presentation from the Hamburg Port Authority on The Tidal Elbe Concept has recently been confirmed. In addition we will be launching our State of the Severn Estuary Report and look forward to welcoming BBC Coast TV presenter Miranda Krestovnikoff to introduce footage of the Severn Estuary and help lead the debate centred around flood risk and adaptation options to Climate Change.

Thanks to the generous support of the INTERREG IVB IMCORE project tickets to this year's event cost just £30 with a £10 discount for members. Places are currently going quickly, so to avoid disappointment please [BOOK NOW](#). An outline agenda and booking form can be found attached to this email. Further details, including downloadable booking forms and agendas can be accessed at: <http://www.severnestuary.net/sep/forum.html>

Display areas can also be provided at this year's event, for further details please contact the Partnership office.

We look forward to welcoming you to Cardiff.

Kind Regards  
Paul Parker

# Severn Estuary Forum 2011

## Celebrating our Diversity

The Severn Estuary Partnership is pleased to announce that the 2011 Severn Estuary Forum will be held on Friday 23 September at The Julian Hodge Lecture Theatre, Cardiff University, Cardiff.

This year's event will focus on flooding in the estuary and the energy sector. The forum promises to be an exciting event with Miranda Krestofnikoff, a presenter from the BBC's Coast TV series attending to introduce footage of the Severn and help lead discussions. An outline programme will be available on the Partnership website in due course. [www.severnestuary.net/sep/forum](http://www.severnestuary.net/sep/forum)

Don't forget, the Severn Estuary Forum is the annual event for everyone interested in the Severn Estuary and its future. Once again, the

Forum promises to be a lively day of formal and informal presentations and talks. The Forum is open to everyone, whether you represent an organisation, live in the area, or simply enjoy visiting. It is a unique opportunity to learn from others, share your views and participate in the management of the Severn Estuary. We look forward to welcoming you to Cardiff.

There will be an opportunity at the Forum for displays from any organisation with an interest in the Severn Estuary. Display areas can be provided at a cost of £250 for a 1 meter display or £500 for 3 meter displays, please contact the Partnership office for further details.

### BOOKING FORM

Severn Estuary Forum @ £12 (student) £20 (member) / £30 (non-member) per person: No. of places requested: .....

TOTAL COST: .....

Name(s): .....

Organisation/Interest(s): .....
